Department of Management Science and Engineering

POSITIONS

Associate Professor/ Full Professor in Management Science and Engineering

ABOUT THE ORGANIZATION

Tsinghua has the most selective undergraduate program in Mainland China and is among the top 50 universities in the world according to both Times of London and QS rankings. With its Beijing campus inside an expansive former Qing Dynasty garden, the school provides an excellent research environment and the possibility of teaching undergraduate, Master's (research-oriented, MBA and EMBA) and Ph.D. students. More information about the school can be found at http://www.sem.tsinghua.edu.cn (English version: http://www.sem.tsinghua.edu.cn/portalweb/appmanager/portal/semEN).

POSITIONS SUMMARY

The School of Economics and Management (SEM) at Tsinghua University invites applications for faculty positions (Associate Professor and Full Professor) in the Department of Management Science and Engineering.

The School offers competitive salary, relocation fund, start-up research fund and other fringe benefits. Applicants should hold (or expect to hold before employment) a Ph.D. degree in the field of **Information Systems, Operations Management**, and related fields. Candidates with a strong methodological background in data analysis and machine learning, optimization, and stochastic methods are preferred. We stress high research potential or achievement. Candidates must be committed to effective teaching, scholarly and professional research, as well as university and community service. Rank and salary will be commensurate with qualifications and experience.

APPLICATION

Applications will be reviewed on a rolling basis until the position is filled. Candidates attending the 2022 INFORMS Annual Conference are strongly encouraged to apply.

To apply, please send an application cover letter, CV (including a list of publications and working papers), three letters of reference (apart from tenured positions), evidence of research and teaching excellence, selected articles or working papers to scholar@sem.tsinghua.edu.cn .
